Oberstown Children Detention Campus

Company background

Oberstown Children Detention Campus (Oberstown) is a national service that provides a safe and secure environment for young people remanded in custody or sentenced by the Courts for a period of detention. We are located on a single site in Oberstown, Lusk, Co Dublin.

Oberstown falls under the aegis of the Children Detention Schools Unit in the Department of Children, Equality, Disability, Integration and Youth (DCEDIY) – formerly the Department of Children and Youth Affairs. Oberstown operates under a single Board of Management which is appointed by the Minister for Children, Equality, Disability, Integration and Youth.

The principal objective of the campus under the Children Act 2001 is to provide appropriate care, education, training and other programmes to young people between 12 and 18 years with a view to reintegrating them successfully back into their communities and society. The framework for providing these objectives is through CEHOP® which focuses on providing Care, Education, Health and wellbeing interventions, Offending behaviour programmes and Preparation for leaving.

Oberstown works with a range of other agencies and disciplines to meet the care needs of its young people while on campus. Placement planning is a priority to ensure that time spent on campus is as effective as possible to achieve best outcomes for each young person.

Oberstown is independently inspected by the Health Information and Quality Authority (HIQA) at least annually. All HIQA inspection reports are published on the HIQA website (www.hiqa.ie). Policies and procedures are reviewed in light of the findings of the inspections and, in keeping with the particular nature of a detention facility, actions are taken to meet the HIQA recommendations.

Please note: In applying for this position you are acknowledging that you understand that the abatement provisions, where relevant, will apply. It is not envisaged that the employing body will support an application for an abatement waiver in respect of appointments to this position.

However, if the appointee was previously employed in the Civil or Public Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER), the Department of Health Circular 7/2010 VER/VRS or the Department of Environment, Community & Local Government Circular letter LG(P) 06/2013, any of which renders a person ineligible for the competition) the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements may, however be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.
